ABOUT AIA BRUNEI

AIA has strived to make a significant, positive impact for our customers and communities across Asia. As we look to the future, this commitment is reinforced by our Purpose: to help millions of people live Healthier, Longer, Better Lives. Our Purpose guides the decisions we make and the actions we take as an organisation - empowering and enabling people to understand and manage their health, while meeting their long-term savings and protection needs. We believe that helping to create a healthier Asia is one of the most important and valuable things we can do for our communities, today and in the future.

Having served generations of Bruneians for over 60 years since 1957, we understand what matters to them most – good health and being financially prepared for every stage in life.

Placing our customers at the heart of everything we do, we want to make a positive impact in their lives as a trusted partner. As their needs evolve, we continuously transform ourselves to adapt to meet these needs. We care about our customers, and to support them throughout their lives, we help them plan ahead to ensure that they are protected financially, while empowering them to lead an active and healthy life so that they can celebrate more moments of joy with their family.

Our commitment has propelled us to launch innovative solutions that truly supports our customers' health and financial wellbeing.

The AIA team and insurance representatives are driven to deliver our best every day. We are focused on journeying with our customers through good and challenging times, providing them with the best service experiences.

As we continually innovate to meet our customers' long-term needs, we look forward to being an integral part of their life journey, enabling them to **live healthier, live longer, live better!**
